

Latin and Greek Root Words: Cit and Polis

Latin and Greek are the source of many root words in English. *Cit* comes from the Latin word meaning “stir,” “move,” or “rouse.” *Polis/polit* is from a Greek word meaning “city.” When combined with a prefix, suffix, or another root word, these root words become common English words. For example, the prefix *acro-* means “end.” Combine *acro-* and *polis*, and you have the word *acropolis*. Based on its original meaning, *acropolis* means “end city” or a fortified area like a fort.

Use the list of prefixes, suffixes, and word endings in the word bank to make five different English words out of *cit* and *polis/polit*. You may add an additional prefix or a suffix, or change the spelling a little if needed. Write a sentence for each word you make and circle the word you made from the root word. Be sure and find words for both *cit* and *polis/polit*.
