

Verb Endings: -ed

When something happened in the past, a verb should be in the past tense. For many words, adding the ending -ed to the verb makes it past tense. Example: talk talked

Change each of the following verbs to past tense.

1. walk _____

2. park _____

3. jump _____

4. work _____

5. pass _____

6. cook _____

7. play _____

8. climb _____

9. remember _____

10. thank _____
