Where Does Water Come From?

We use water every day, but where does it come from? It can come from lots of places. In the boxes below, draw pictures of places where water comes from. Write about how we get water and how we use water on the lines below.

A large, empty rectangular box with a black border, intended for a student to draw a picture of a water source.A second large, empty rectangular box with a black border, identical to the first one, for drawing another water source.
