

Making Compound Words

A compound word is when two words are put together to make a new word with a different meaning.

after + noon = afternoon.

Add a word from the bank below to each word on the list. You may add the word before or after the word on the list, but make sure they make a real compound word. Write the new compound word in the blank.

Word Bank

ball	case	light	room	spoon
bread	cloth	note	row	time
brow	house	pop	sail	tub

Actual student answers may vary. Examples of correct answers:

1) foot _____ **football**

2) book _____ **notebook**

3) corn _____ **cornbread**

4) boat _____ **sailboat**

5) table _____ **tablecloth**

6) day _____ **daylight**

7) bath _____ **bathtub**

8) eye _____ **eyebrow**

Name: _____
